

Program Director Licensing Requirements

FOR CENTER-BASED CHILDCARE AND PRESCHOOL PROGRAMS

Federal and State laws and regulations govern the work we do. To work as a Program Director in Vermont, you must be at least 21 years of age and meet the requirements established by the Child Development Division in the Vermont Department for Children and Families. We have additional resources on our website to help you understand and document your qualifications to work as a Program Director in an early childhood setting.

PROGRAM SIZE	UP TO 12	13 TO 59	60 OR MORE
MINIMUM QUALIFICATION	Teacher Associate	Teacher Associate	Teacher

Common Courses that Meet Licensing Requirements for Childcare Program Directors

Below are *examples* of common courses that help program directors meet licensing requirements for the State of Vermont. Specific course titles will vary slightly from college to college – this is not a complete list, but rather a guideline for the types of courses that are typically approved to meet your requirements. Please contact your Northern Lights Resource Advisor to ensure your future coursework will count toward your requirements, or to have your transcript reviewed and verified to make your previous coursework count.

See the Professional Development tab of your BFIS Quality and Credential Account for a list of your verified courses. Courses may be coded as follows:

CD = Child Development

PM = Program Management

CU = Curriculum

AD = Administration

HR = Human Resources
