

Early Intervention Training Modules

Updated 1/2/19

These training modules were developed by Children’s Integrated Services to provide an overview to various components of Early Intervention in Vermont. After you complete each module, be sure you complete the quiz to demonstrate your knowledge of the material. You will receive email notification of your scores – be sure you save the email notification to submit as part of your Early Intervention Certificate application. You will need to receive a score of 80% or better on the quizzes.
