What is something you love to watch children do?

Play in snow; respond to music; make art; master new things; make connections with each other; falling in love with words and reading; watch older kids work with younger and how they respond; families walk to school together; children discover something new; excitement/joy when mastering something new; do something by self for the first time; dancing; inventing own play; realize they have a genuine friend

2019-2020 Training Recommendations

Committee discussed feedback received about the training recommendations and incorporated changes into the final draft. See final Training Recommendations document for the final result of these conversations.

PPD member vote: to approve final recommendations as discussed in the BBF PPD meeting

System Evaluation [Lynne]

- Lynne introduced system evaluation plan and asked for feedback
- Anyone volunteer to be on program oversight committee

ECAP Update working group members (Beth)

- Taking opportunity to update the ECAP
- Keeping the integrity of the framework; making changes to the action plan itself
- Action plan co-chairs and other people from committees/field Johanna and Tricia

Plus/Delta:

Plus: Important discussion on training recs; Demonstrates the importance of diverse representation and membership; Great facilitation; Phone participants felt they were connected well; Using zoom for breakouts; Can invite great facilitation
