

# WHO WE ARE

Northern Lights at CCV is the hub of Vermont's professional development system for the early childhood and afterschool workforce. Northern Lights staff are divided into two teams: the Registry Team, and Resource Team.

# WHAT WE DO

## REGISTRY TEAM

Our Registry Team assists you with certificates, credentials, professional development document processing, the Northern Lights Instructor Registry, and the Northern Lights MATCH Registry.

## RESOURCE TEAM

Our Resource Team offers high quality, affordable trainings, career advising, and support navigating the professional development system.

# WE CAN HELP YOU

Apply for an Early Childhood Career Ladder level certificate

Find and use the online Training Calendar

Learn about college degree and non-degree programs available in Vermont

Understand and use your Bright Futures Information System (BFIS) Quality and Credential account

Figure out what role you might qualify for based on degrees, credentials, and college coursework completed

Think about what trainings or courses you might want to take next

Find all of the online trainings approved in Vermont

Find and register for Northern Lights trainings

## Support for Directors

We can review transcripts for candidates you are considering hiring

## Support for Sponsors

We can offer Sponsor orientations and support with paperwork

## Support for Everyone

We can review your transcript to help you determine your education qualifications

## Free Trainings for your Program:

- Charting Your Pathway
- Helpful Hints and Simple Tools to Create your IPDP
- Tips and Tricks for Program Directors
