Technology and Internet Access Resources

- [Internet Access: Comcast](#) – Comcast Increases Internet Access and Speeds to Support Low-Income Americans
- [Internet Access: Consolidated Communication](#) – Consolidated Communication is offering free internet for two months for students and educators who live in their service areas. There are no income eligibility or other requirements. Just call 1-855-399-3084 and mention the code “Two Months Free.”
- [Free Public WiFi Hotspots in Vermont](#) – The Vermont Department of Public Service has prepared a map of public buildings in Vermont where WiFi with access to the internet is publicly available. These sites are accessible at all hours from a parked vehicle on the road or parking lot. As a safety precaution, we discourage users from entering the premises or congregating outside. These sites should be accessed from within a parked vehicle.
- [Low-Cost Computer](#) – Comcast has a computer available for purchase for as low at \$149.99. The computer will arrive in 9-10 days.
