All Open Responses Received for Q17:

- Not for me but suggestions in the future...Trainings on using Google docs, spreadsheets, Windows, new BFIS system as changes occur, etc. I have heard from some in the field that technology scares them.
- I think it would be great to host some sort of training about operating nature-based programs within the boundaries of licensing regulations. Some of the regs make it seem impossible to spend the majority of the day outside and I know it's possible!
- Trainings on children with sensory issues and how to work with them in a preschool setting
- Compassion Fatigue & Self-Care for Providers
- More observational assessment for preschool, TSGold training
- Conflict Resolution in the work environment
- Authentic assessment, boundary setting
- Starting a child care program (licensed center-based), sleep (infant-toddler), sensory needs, speech/language development, use of visuals in classroom
- Nature-based/outdoor ed
- Provocations and classroom management
- behavior in the classroom
- De-escalation techniques
- All types of abuse & domestic violence topics
- trainings geared toward running a business - HR, budgeting, computer classes
- "Farm to School collaborations
- food sourcing
- Outdoor play space design"
- Trauma informed practices

- I would love to see trainings on sign language or how to introduce that to parents and students.
- I would love to see some interdisciplinary teaming trainings or resources for educators to support the holistic needs that families have.
- TSG
- Advanced Specialized Care training
- Topics around gender
- Career development options, are they worth it?
- Nutrition
- cooking with children
- Outdoor education, literacy, math, wonder
- Additional Leadership trainings
- Facilities Management, Building Donor Base, New TS GOLD Platform Training, Supporting Staff Mental Health, Recruitment Strategies
- autism, special diets for food, behavioral challenges
- recruitment and retainment of staff, teaching team development.
- Using Teaching Strategies Gold to monitor progress and inform curriculum.
- Youth yoga
- More trainings surrounding challenging behaviors and outdoor-based education
- Anything that deals with kids in trauma and crisis
- Strategies for successful teaming
- Food and nutrition.
- None of the 'advanced' trainings I have participated in have been advanced. Please offer trainings with more substance and with peers who are actually ready for advanced training. Thank you.
- Anything for Family childcare. Multi-age and family engagement.
- Understanding more about childhood illnesses such as diabetes, allergies, and asthma. Etc
- Grant writing for FCCH!
- Accessibility Services For. Language easy to understand communication between parents children and caregivers and child care early educators.
- Child Development refresher, SLP basics, Social Emotional Development-Advanced, and Brain Development-Intermediate.
- Families in poverty, SEL learning
- Anything to do with trauma. Advanced and Specialized Trauma Training
- Applying TS GOLD and VELs to play based learning, Alternative philosophies in ECE (Waldorf, Montessori), Intentional Language
- Supporting children with challenging behaviors, beyond Early MTSS. Training that includes coaching!!!!!!
- I am a new director and would like trainings that go over the basic needs like what documents to have for licensing visits, who to call for specific issues, etc.
- Advanced Specialized Care, Challenging Social Emotional Behaviors, NAEYC, How to get kids to listen
- Maybe a topic on keeping your information/ documentation ready for licensing visits. A reminder course of what's needed, best way to organize, and what needs yearly updates.
- A tax class for tips on yearly taxes
- After school programs
- Brain development in all ages. Special education services and practice.
- Retained reflexes (OT)

- Working with bilingual families
- Classroom management
- Absolutely loved the training by Lisa Guarrera on diverse literacy last year that included 6 books... more like that! Also any STEAM learning activities. Also like the 2+2+2 training format.
- Educators Mental Health
- psychotherapy trainings for licensure
- Outdoor Classroom Curriculum, Outdoor Classroom Design
- Empathy
- Outdoor classrooms
- Something on correct practices for refugee families, how to best meet their needs etc
- Supporting teachers in moving toward an emergent curriculum model (for directors of programs)
- Train the trainer options (curriculum and assessment or child development-focused); strengths-based or practice-based coaching
- Autism, adhd, behavioral supports
- discouraging making toys into guns, school age bullying
- More music and art and emotional health
- Sexual consent, Appropriate sexual behavior in preschool classrooms, LGBTQ awareness
- Therapeutic childcare
- Tax prep, Mentor, Stars, Licensing updates
- Any trainings for dealing with challenging behaviors
- Activities for infants/toddlers. Both indoor and outdoor.
- While I appreciate the wide array of topics available there is a lot of repetition for those of us who have been in the field, in this state for close to 20 years. More advanced options in the topics discussed and/or something TOTALLY NEW would be refreshing.
- mindfulness, yoga, nature based integrated learning environments, collaborative teamwork,
- More DEI, social justice topics.
- CLASS Trainings
